SECTION OF KINGS HIGHWAY CLOSED TO VEHICULAR TRAFFIC FOR TWO WEEKS

*Affected area between Titus Avenue and Lakeshore Boulevard closed
starting Monday, June 2nd*

The Monroe County Department of Transportation would like to remind motorists that Kings Highway between Titus Avenue and Lakeshore Boulevard in the Town of Irondequoit will be closed to vehicular and pedestrian traffic for a period of two weeks beginning Monday, June 2, 2014.

The road closure is required in order to allow for repairs to the steep side slopes at various locations along that section of road. Kings Highway will remain open to local traffic only up to the closure; however, through traffic will not be permitted. Residents will have access to their property at all times during the closure. Traffic to Durand Eastman Beach as well as Durand Eastman Golf Course from Titus will need to follow the posted alternate route.
